Our ICT Products & Services

B2B Solutions

- Security Solutions
- Networking Solution
- ELV Systems
- IT Infrastructure Solutions
- Data Center Solutions
- Information Security
- Digital Transformation

- Access Control Solution
- AV-Display Solution
- IPTV Solution
- Lighting Control Solution
- Parking Solutions(PGS/PMS)
- Structured Cabling –Passive
- Active Networking Solution

Our ICT Products & Services

B2B Solutions

- IT & Office Automation
- IP Telephony
- Print Management Solution
- SMATV Solution
- PABX Solution
- UPS Solution
- Visitors Management Systems

- Perimeter Security Solution
- Setting Up Control Centers
- Fire Alarm Systems
- Routing and Switching
- Perimeter and Core Firewalls
- Wireless Networking
- Servers and Storage

Our ICT Products & Services

B2B Solutions

- ➤ Automatic Number Plate Recognition(ANPR)
- ➤ Signage Solution
- ➤ Solar Systems Solutions
- ➤ Electrical Solutions
- ➤ Maintenance Services

Our Exclusive ELV Products

➢ Data & Communication

  Cables(R&M,Panduit&Leviton)

➢ Fire Rated Cables

➢ Explosion Proof cables

➢ Cable Trays & Trunking

➢ Warning Tape

Our Services

Parking Solutions

- Parking Guidance System
- Parking Revenue System
- Speed Gates
- Turnstile gates
- Hydraulic Bollards
- Road Blockers
- Automatic Barriers
- Ticketing Systems
- Booth Systems
- VIP/Valet Parking

Audio & Video
End to End Solution

- Design
- Supply
- Installation
- Testing & Commissioning

Security Solutions

- CCTV systems
- Perimeter Security
- Setting up Control Centers
- Access Control Systems
- Visitors Management System

Software /Cloud Services

- Design ,Delivery, Testing & Commissioning
- loud Consulting & Enablement Services.
- Multi cloud Management.
- IT Service Management.
- Managed Services & Solutions.
- Google cloud Services .
- DevOps Services.
- Microsoft cloud services

Our Services

Data Center Solutions

- ✓ Power Systems
- ✓ DCIM
- ✓ Rack & Containment System
- ✓ Data Center Interiors
- ✓ Sensitive Compartmented Information Faculty (SCIF)

Networking Solutions

- ✓ Structure Cabling
- ✓ IP Telephony
- ✓ Routing & Switching
- ✓ Perimeter & Core Firewalls
- ✓ Wireless Networking
- ✓ SDWAN

IT Infrastructure Solutions

Servers & Storage

Passive Network Systems With R&M , Panduit & Leviton

Converged and Hyper converged Solution.

High Performance Computing (HPC)

Workspace and Server Virtualization

Private, Public and Hybrid Cloud Solutions

Information Security

Identity and Privilege Access

Management (PAM)

Integrated Risk Management.

Threat Detection and Response.

Application and Email Security.

Data Loss Prevention (DLP)

Cloud Security

Security Operation Center

Our Services

Digital Transformation

IT Modernization

Big Data & Data Analytics

Robotic Process Automation

Consulting on Digital Transformation Services

Fiber Optic Solutions

- ✓ Supply and Installation
- ✓ Design Services for Complete Fiber Optic System
- ✓ Cable pulling & Splicing Services
- ✓ Testing & Reporting Services

Electrical Solutions

- ✓ Supply
- ✓ Installation
- ✓ Testing & Commissioning
- ✓ UPS System
- ✓ Earthing and boring solutions
- ✓ Electrical maintenance

Solar System Solutions

- ✓ Design
- ✓ Supply
- ✓ Installation
- ✓ Testing & Commissioning
- ✓ Solar maintenance

Our Services

Signage Solution

✓ Design

✓ Supply and Installation

✓ Pole Installation

✓ Indoor/Outdoor Signs

✓ Digital signs/Way findings and Kiosks

Service Level Agreement

✓ Level -1 & 2 Support

✓ Preventive maintenance

✓ Corrective maintenance

✓ AMC Support

Our Products & Services

Samsung Display Solutions

❖Professional Desktop Monitors

❖Large Format Displays

❖Interactive Displays

❖LCD Videowalls

❖LED Indoor/Outdoor Videowalls

❖The Wall – Micro LED Technology

❖QLED 8K Monitors

❖Smart Signage Solutions

Our Hardware Products

NEC Display Solutions
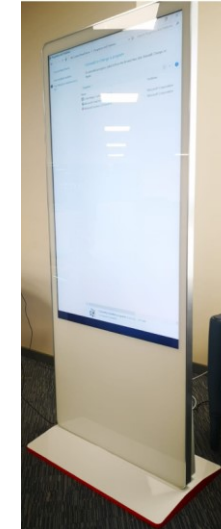

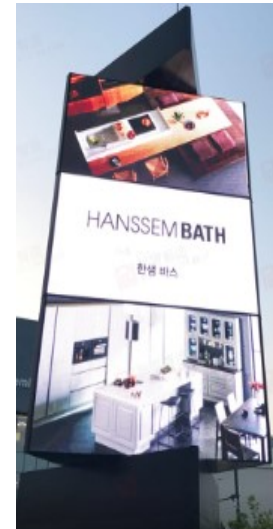

❖ Professional Desktop Monitors

❖ Large Format Displays

❖ Interactive Displays

❖ LCD Videowalls/ HiperWall Solution

❖ LED Indoor/Outdoor Videowalls

❖ Open Modular Intelligence(Omi/OPS)

❖ All range of Projectors

Our Hardware Products

INNOVIZ Customized Display Solutions

❖Customized Totem with leading IPS Panel

❖Complete Digital Signage & AV Solutions

❖Direct LED/ LCD Bezel less Videowall

❖Conference/Meeting room Solution

❖Outdoor/Indoor LED Solution

❖Customized Interactive Displays

❖IPTV Solutions

Our Hardware Products

## Infrastructure Products

❖HP, Dell, Lenovo Desktop PCs/ Notebooks

❖All range of Servers

❖CCTV /IPTV / Access control ,etc.

❖All range of Printers & Copiers (Canon, Lexmark, HP)

❖All IT Accessories

❖All Hardware/Software Security Solutions

Physical Security Surveillance Approach

Main Control Room

Integrated System Management

| NTP Server | Redundant ACS Server | Redundant Active Directory | Redundant Video Management | Network Management | Redundant PIDS Server | HVM & VSS Server | EKMS & GTS Server | PAVA Server | Time & Attendance |

Redundant & Secure IP Networks

Network Information Interfaces

| Video Analytics | Fence Disturbance | Video Surveillance | | VSS | HVM | Access Control | PAVA | Time Attendance | EKMS |
| | | PTZ Camera | Fixed Camera | | | | | | |

Physical Security Systems

ICT Capabilities

Turnkey Data Center Solutions

Cabling & Network Backbone

Network Security and Forensics

ICT Capabilities

Data Center Security & Operations

Information Security & Cyber Security Solutions
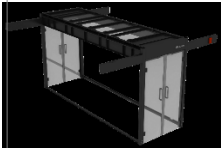

Digital Transformation & Automation

All-In-One Structure, One-Stop Delivery, On-Demand Expansion

Cable Trough

Contained Aisle

Local Mgmt. System

Integrated UPS / PDC
60K/130KW
1~125KW

SmartLi Inside
80Ah/40.9kWh

IT Cabinet
42/47U
600/800mm

Customer Benefits

- **UPTIME TIER-III / IV Ready Solution**
- **High energy Saving,Lower PUE 1.35 %(Global Standard-1.76%)**
- **One-stop delivery,** lower the requirements for design, delivery and management
- **On-demand deployment & expansion,** lower the initial investment
- **O&M efficiency improved by 20%**

Design for the Control Room

The major aspects of control room design that shall be taken into account   are:

- The suitability of the structure of the control room

- The layout of control rooms and the arrangement of panels, VDUs etc. to ensure effective ergonomic operation of the plant in normal circumstances and in an emergency.

- Console product depending on the equipment required by each operator.

FR Algorithm: Massive Face Matching Accelerated by Superior Algorithms, Search One Million face records within milliseconds
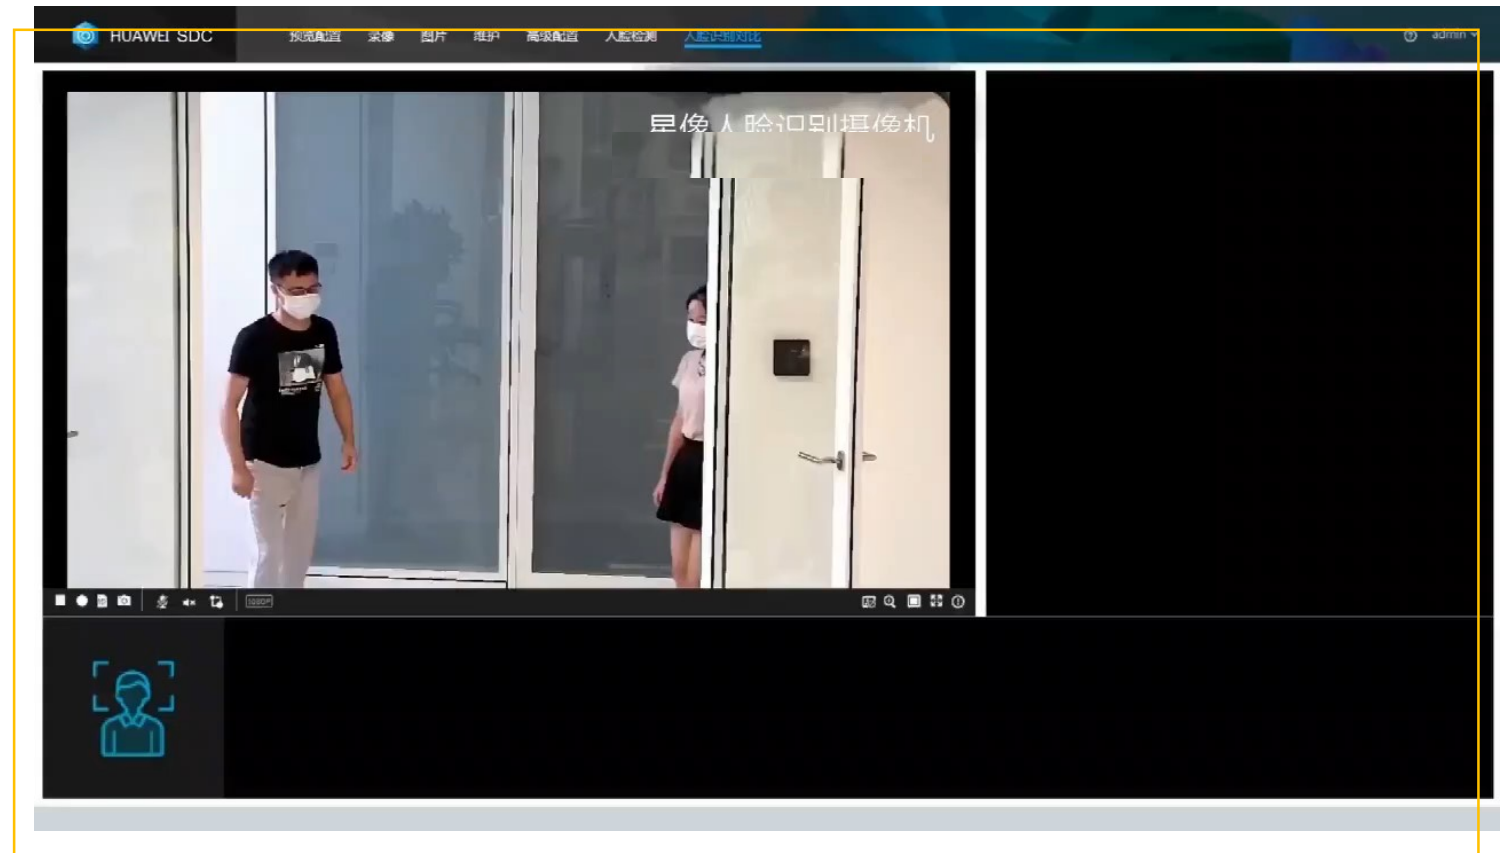

**Local face library containing up to 1 million records**

Recognizing faces wearing sun glasses, mouth masks, or blocked by other objects

Key places such as stations and airports

INNOVIZ SYSTEMS – MANAGEMENT HIERARCHY

INNOVIZ SYSTEMS Major Client References

- Ooredoo-Qatar
